About Me

I'm extremely interested in being a division 1 college gymnast. The atmosphere of college gymnastics looks so fun and that is definitely something I want to be a part of. My favourite events are bars and beam because they are my better events.

I really enjoy helping and encouraging my teammates at the gym or if they ever need any advice outside of gym to help them be successful.

I am interested in pursuing a Criminal Justice degree, to hopefully become a Correctional Officer, Border Security, Parole Officer or Police Officer.
