## About Me

I love traveling all over the world with my family, teammates and coaches. I am excited to add to my world exploration bucket list. So far I have visited 9 States, 6 Provinces, Bahamas, Grand Cayman Island, Jamaica, Cuba and France!

1st time on a plane – 8 months old, summer 2004 to Jamaica. 1st time on a plane that sparked the desire to become a pilot (at least that I can remember) – 6 years old, fall 2009 to Cuba.

I love school, especially math and I love to make people laugh.
